JOSIAH TURNER, Jr., EDITOR.

DIRECT TRADE.—We yesterday published an extract from a letter of a Liverpool firm, relative to a proposition to establish a line of steamers between that port and this, the said steamers to bring us emigrants and to return laden with our produce. We were aware, when penning the article, that there are many difficulties in the way of the accomplishment of such an enterprise, not the least among which is the present condition of our bar; but our business in that instance was not to discuss pros and cons but merely to answer the question asked,—if return freights could be secured here for a line of European steamers.

It is to be hoped that an appropriation can be obtained from Congress for the purpose of opening our bars. Scientific men believe that the port can be materially improved but the great drawback is a want of funds. But we see, as yet, but little or no signs of this appropriation. Senator Abbott has frequently asserted for himself, and sometimes his friends have asserted for him, that he will succeed in getting a bill to that effect through the present Congress, but that body is too intent upon reconstructing reconstructed States and devising means to perpetuate the dominition of the Republican party to pay much attention to such small matters as the improvement of an important seaport.

But should this appropriation not be made, we see no especial reason why a line of light draft ocean steamers cannot be established between this port and Liverpool. In several instance during the war blockade runners crossed the water and brought here full and valuable cargoes. The dangers of the sea did not intimidate then, and why should they do so now? At the present time three light steamers could carry on a lucrative trade between Wilmington and Liverpool, and in the course of a few years, and under a Democratic administration, we might hope for such an improvement of our bar as would admit those of much greater capacity.—*Wil. Journal.*

DESTRUCTIVE FIRE.—By passengers on the Wilmington and Manchester Railroad, last night, we have the particulars of a destructive fire which happened a few minutes after 12 o'clock yesterday, at Bolton, in Brunswick county, about 27 miles from this city, and which resulted in the entire destruction of the Green Swamp Manufacturing Company's Works. The fireman had just left to go to his dinner, and on his return, which was in a few minutes afterwards, the mill was in flames. The conflagration is said to have originated from fire from the engine communicating with the shavings, a large quantity of which had accumulated from the dressing of shingles which had been going on in the lower part of the mill.

The large amount of timber, shingles, &c., in the building caused the flames to spread with great rapidity and nothing could be done to arrest them.

The mill was a very extensive and valuable one, had shafting running all through the establishment, which was capable of turning out almost any kind of work, besides which there was a very fine grist mill attached.

There was a large amount of valuable machinery connected with the works, all of which, it is supposed, will be irretrievably ruined. There was also a large amount of stock on hand, all of which, we learn, was destroyed.

The loss, it is supposed, cannot fall far short of $75,000, upon which there was no insurance.—*Wil Star 17th Inst.*

THE FIRE AT BOLTON.—From Mr. Bannister, President of the Green Swamp Manufacturing Company, who has just returned from Bolton we learn that our statement of yesterday relative to the fire at that point was in every essential particular a correct one. The main buildings of the company, with the works within and around them, run by a ninety horse steam power, were all burned to the ground, as was also a large quantity of shingles, lumber and timber.

The loss is not near so great as was stated yesterday. We did not give any figures here, preferring to wait until we could get the official report, and now we are gratified in being able to state that the actual loss will fall far short of the amount at first conjectured.

Mr. Bannister informs us that the fire will not interfere with the operations of the company, but that work will still be continued, as heretofore, by means of such power as is still left unimpaired, and which was placed in minor works removed some distance from the scene of the fire. We are glad to know this, and hope that the damages sustained on Wednesday may soon be fully repaired.—*Wil Journal 20th.*

We learn, says the *Robesonian* that another of those bold and startling robberies for which our unfortunate community is becoming so famous, was perpetrated upon the premises of Zach. Fullmore Esq., near Ashpole Presbyterian church in this county, on Sunday last.

It seems that during the absence of the family at church, a party of men in disguise broke into the house, forced open trunks, drawers, &c, thoroughly plundering the whole house, and carried off with them thirty three thousand dollars in Confederate currency, and about fifty dollars in specie, together with several articles of clothing, &c.

A negro boy who had been left alone with the house, mounted a horse and rode to the church to inform the family, but before a company of men from the church could reach the house, the robbers had retired with their spoils. The men went in pursuit, but, at last accounts, had not succeeded in capturing the villains.

The robbers were evidently disguised by blacking their faces and hands, as the clothing which they handled in searching trunks and drawers was left in a condition very much soiled and smeared with soot.

BANK OF CAPE FEAR.—The annual meeting of the Stockholders of the Bank of Cape Fear was held in this city on yesterday. Steps were taken to provide for the settlement of all outstanding business.

Mr. Geo. R. French represented the State and named Col. Geo. Little and Messrs. T. H. Selby, S. H. Rogers and Jas. Anderson as Directors on the part of the State. The Stockholders elected Messrs. W. A. Wright, R. Strange, J. A. Engelhard, G. B. French, Z. Latimer, J. H. Lindsay and A. Emple as Directors upon the part of the Stockholders.

At a subsequent meeting of the Directors Mr. W. A. Wright was elected President.—*Wil. Journal, 20th.*

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, MAY 23, 1870.

COMMENTING ON THE PLATFORM.

The *Standard* of the 14th inst. has a commendatory critique on the Radical platform, adopted by the late Convention of that party in session in this city. The writer whom we believe to be the Governor himself, complains that the SENTINEL "has passed by the platform of the Republican party, and assails the delegates and nominees." Perhaps we shall be able to remove this cause of dissatisfaction on the part of the *Standard*, before the Summer campaign shall close.

But at present we shall give our attention to this editorial of the Governor's on his own platform, which, to one familiar with his tricks in smoothing over what he wishes to hide, and bring out prominently what he thinks will bear day-light, is as familiar and natural as his gold-headed walking cane, or his insurrection proclamations.

But the most striking features of the Governor's editorial are its *omissions*. There are several questions agitating the public mind, in which the people feel a very deep interest, which are entirely ignored. This is very strange in an attempt to throw light on a document the people are expected to endorse. We cannot, for instance gather any information concerning the Penitentiary swindle; not a word about the deep depreciation of State bonds; nothing almost exorbitant fees of officials; no light on the magnificent Swamp Land transaction; we are told, nothing, indeed, satisfactorily, as to the past management that has ruined the State, nor anything practical as to the future plans for accomplishing the grand results that are foretold as coming to pass, if the people will only try them a little longer.

We have said that the *omissions* were the most remarkable feature of this production of the Governor; but we will modify by giving this the second place, as a repersual has convinced us that its cool, unblushing falsehoods are really the most striking feature of the article, for they appear in the first paragraph and are kept up fully throughout. We will notice some of the more glaring of these.

The writer shows his petty malignity and undignified, impeacable hatred of the people of Alamance, by declaring the county officials "imbeciles or criminals." This can have no other effect on the people of that maligned, persecuted people than to intensify their contempt for the source from which such a charge can emanate. Every intelligent man in the State knows the insinuation to be false and only advanced to sustain the illegal, oppressive and malignant course pursued toward the people of that county.

The writer next declares that the Republicans are "not responsible for recent errors in legislation." If the Republicans are not responsible for them, who in the name of high heaven, *is* responible? The writer in the *Standard* says the *Democrats* are responsible for what he mildly terms "errors in legislation!" Was there ever a more palpable, barefaced falsehood set in type since the art of printing was discovered? The Democrats responsible for what the late Radical Legislature did! When each House of the General Assembly had a Radical majority of more than two to one over the Democrats, and still the declaration is made, that the Democrats did all the devilry, passed all the extravagant appropriation bills, and other oppressive acts, not omitting, we suppose, the damnable military bill!

Does the *Standard* think the people are all fools, that it attempts to cram such monstrous lies down their throats?

Suppose every Democrat and Conservative in the Legislature had voted as a unit on any measure proposed, could they have effected anything? And yet, the *Standard* says they are "responsible for the recent errors in legislation." O shame, where is thy blush?

The next point we notice in this glossary is the declaration that "the platform declares that the Republican party is committed to the free school system and to a proper support of the University." This is mighty pretty on paper; as a commentary, we will merely allude to that little sale of 300,000 acres of "school lands for one twentieth of their value, a fact which the Governor forgot or neglected to mention in connection with this subject.

And then, the platform is going to sustain and foster the mechanic arts, manufactures and other productive industries; and refers to the "comprehensive lien law," it has passed to that end; but, O tell it not in Gath, nor publish it in the streets of Askalon, they have nominated a man for Attorney General who, in 1854 '55 *voted against* this mechanics' lien law. But, as he has made a number of changes since that day, when he might have been a sort of slave aristocrat, he may have changed in his views on this subject also.

But we cannot pursue the subject further to day; in the mean time the Governor need give himself no uneasiness in regard to our neglect of his platform; we expect to make it the text of many a discourse for the edification of the public, before the August elections. We shall take it up, plank by plank, (which can be easily done, as there are few standing on any of the planks) and show how their practice accords with their platform. We intend to take the old platform, too, and compare it with the new, and show how they carried out the professions of the old before the new was adopted.

We'll attend to your platform, Governor, and to your delegates and nominees, too.

ONLY FIVE THOUSAND.

We have before us an exhibit of the Wake county finances, up to the first day of February, of the present year, by which it appears that, at that date, the county was behindhand *only* $5,315.75.

This is a gratifying exhibit, especially when it is remembered that the people of the county paid, last year, for county purposes, only the inconsiderable sum of thirty seven thousand, four Hundred and eighty three dollars and seventy nine cents!

But does that five thousand and some odd hundred dollars cover the indebtedness of the county? all outstanding witness tickets, jury tickets, and other claims against the county? If it does, we are better off than many persons supposed. Will any member of the Board of Commissioners assume to pay the "estimated county indebtedness," at the present time for twenty thousand dollars?

By the way, with this report before us we are induced to inquire, what were the urgent reasons for an act allowing the County Commissioners to levy a special tax? Is there a new Court House or new jail contract in prospect?

AXIOMATIC.

Every body knows there has been enormous frauds and swindles committed in this State, and extravagant legislation by which the finances of the State have been prostrated, her credit crippled and all her public enterprises retarded and injured.—The *Standard* admits these facts, but charges it all on the Democrats, even while the Radicals had the Executive, Judicial and Legislative branches of the State Government all in their own hands.

But waving for the present, the question of what parties are responsible, and taking the admitted fact, we lay it down as indisputable, that all these frauds, swindles, corruptions, extravagancies and mismanagement could not have been carried on in the State for two years, without Governor Holden's knowledge.

If he knew of them and did not take steps to put a stop to them, he is unfit for his position.

If he participated in them, he is not only unfit, but criminal.

If, by any possible chance, these things were done, right here in the State—under the Governor's nose, as it were—and he not know it, he is equally unfit to preside over the interests of the State.

TOWNSHIP MEETING IN RALEIGH.

A large and respectable meeting of the Conservatives of Raleigh Township, was held in the Court Room, on Saturday evening last.

On motion, O. L. Burch was called to the Chair, and M. Harrison appointed Secretary.

The object of the meeting was explained by the Chair to be the appointment of delegates to a County Convention, to be held in this city on the 4th of June, for the purpose of selecting delegates to the Franklinton Convention to nominate candidates for Congress; it was also understood the same delegates attend another County Convention (the day not yet named) to nominate county officers.

On motion, the Chairman was authorized to appoint 50 or more delegates to said Convention.

A TRIBUNE MAN IN WHITTEMORE'S DISTRICT.—A correspondent of the New York *Tribune* is writing a series of sketches of the New South. His last letters is from the heart of Whittemore's district, and he says:

The present education and intelligence of the average negro voter in an interior Carolina district is sufficient for the appreciation of some salient points in politics, but it is not sufficient to understand such a transaction as the sale of a cadetship at West Point, with which their member stands charged and confessed. In fact, I do not suppose most of these people have any clear idea what a cadetship is, and many of them would receive about the same impression were they to be told that Mr. Whittemore had sold a line of battleship, and invested the proceeds in schools for their children's benefit. I tried to get at the exact notion of the matter which one very honest and ardent black man entertained; but the best answer I could get was: "I dunno, sah, but I reckon we'll send him back to give him a chance and clare him out;" and upon further question, "That's what the 'jority thinks, and I'm boun' to go with the 'jority. Aint that right, sah?"—The whole matter of the accusation of corruption is to these distant, unsophisticated voters very vague and dim.

No matter how much you desire to fight, never begin on a mule or a cross-eyed man. Their looks don't advertise clearly enough where they are going to hit.

PUBLIC MEETING AT KITTRELLS TOWNSHIP.

GRANVILLE Co., N. C., May 17, 1870.

According to previous notice, a large portion of the people of this Township met and organized a Convention by calling H. H. Hargrove, Esq., to the Chair. J. C. Hester was requested to act as Secretary.

The Chairman appointed a committee of five to draft resolutions expressive of the feelings of the Convention, and to nominate candidates to fill the various offices of the Township. The committee made the following report, which was unanimously adopted.

WHEREAS, the several counties in this the 4th Congressional District have agreed to hold a convention on the 7th of June in the town of Franklinton for the purpose of nominating candidates to represent said district in the National Congress of the United States. And

WHEREAS, our county has further agreed to hold a convention on the 23th of June in the town of Oxford for the purpose of nominating candidates to represent her in the next General Assembly, and to fill the various offices of the county.

Resolved 1st. That we the citizens of Kittrells Township, concur in the same, and will send delegates to the said Conventions.

Resolved 2nd. That we heartily endorse the manly tone and sentiment emanating from the address of the Conservative members of the last General Assembly at the close of its session.

Resolved 3rd. That we will lay aside all of our old party prejudices and support the regular nominees of the above named Conventions.

Resolved, 4th. That it is the duty of every man, both white and colored, to rally around one common center for the purpose of restoring the credit, honor and dignity of the State, and to crush and destroy Radicalism and carpet bagism wherever found.

Resolved, 5th. That we do this through the ballot box in the next election.

Resolved, 6th. That we sympathize with the people of the town of Henderson, and especially the sufferers of the late conflagration.

Thos. Capehart, Gen. B. Bullock, John Fuller, John Cruiup, Maj. Henry Black nall, Wm. Burroughs and J. C. Hester were appointed delegates to the Franklin Convention.

The same, with T. A. Stuart, J. W. Cunningham, M. C. Edwards, Wm. P. Mangum and H. H. Hargrove, delegates to the Oxford Convention.

A voluntary contribution was proposed and made by many of the citizens for the publication of L. A. Paschall's report of the finances of his county, to be circulated among our citizens.

On motion the Convention adjourned.

H. H. HARGROVE, Ch'm.

J. C. HESTER, Sec'y.

PUBLIC MEETING.

A meeting of the Conservatives of Faucett Township No. 5, was, according to previous notice, held at McCray's Store, Alamance county, on Saturday the 14th day of May 1870.

The meeting was organized by calling Col. Jesse Gant to the Chair and appointing Thomas J. Gardner, Secretary.

The meeting then proceeded to the election of five delegates to represent the Township in the County Convention, to be held in Graham, on the 28th inst. The election resulted in the choice of B. F. Roney, W. F. Moore, Johnson McCauley, J. Tapscott, E. G. Garrison.

On motion of W. J. Murray, the Chairman appointed the following committee to draft resolutions expressive of the sentiments of the meeting, to wit: B. F. Roney, W. F. Moore, Johnson McCauley, G. M. Hazell and E. G. Garrison.

After a short absence the committee returned and reported the following resolutions which were, after due consideration, unanimously adopted.

Resolved 1st. That the people of North Carolina have given the Republican party a full and fair trial and they have failed in every department of the government, more for the want of integrity than ability.

Resolved 2nd. That in our opinion there can be no material or moral improvement to the State under the present incompetent and corrupt administration, and we are determined to use all proper and lawful means in our power to rid ourselves of it.

Resolved 3rd. That it is high time that the government of North Carolina should be in the hands of North Carolinians, and that strangers and carpet baggers be requested to report themselves more after the manner of guests than arrogant lords.

Resolved 4th. That we believe it to be to the interest of the State to call a Constitutional Convention, at an early day for the purpose of remodeling the Constitution.

On motion of G. M. Hazell, the following delegates were appointed from the Township to attend the District Convention at Greensboro', on the 28th inst.: W. F. Moore, G. M. Hazell, Dr. J. G. Pumis, Harrison Wilson, W. A. Blanchard, W. J. Murray, G. H. Garrison, F. W. Fonville, B. F. Roney, and A. J. Hughes.

Upon motion, the chairman was added to the list.

On motion, it was ordered that a copy of the proceedings of the meeting be forwarded to the Raleigh SENTINEL and Greensboro' *Patriot*, for publication.

THOMAS J. GARDNER, Sec'y.

DEATH.—On Thursday evening, about dusk, Mr. Wilson Wallace, a citizen of this county, left this place to go home, about six miles in the county. He was accompanied by a neighbor of his, William Taylor, and had in his possession $3852 75. They proceeded on their way home on what is known as the Lawyer's Road, until they reached Mrs. Williamson Wallace's lane, when Mr. Wallace was seized with a violent fit of sickness, and was unable to sit on his horse.

Taylor not being able to get him on his horse again, left him lying by the roadside, and rode on to the house of Lee Allen to get him to come and assist him in carrying Taylor to his (Allen's) house.

Shortly after Wallace was left alone, four negroes, or white men blacked, (Mr. W. thinks they were negroes) got over the fence near him and seized him, and while three of them firmly held his arms and legs the fourth went through his pockets, taking therefrom $3852 which was in his pantaloon's pocket, and leaving him only 75 cents in his vest pocket. They also examined some papers he had but did not take any of them.—The men were in their shirt sleeves and bare footed, and the whole thing was over in as little time as it takes to read this account of the affair. Mr. Wallace says that as soon as he was seized he cried out, and they then stuffed a handkerchief in his mouth, but he did not observe that they had on their persons any deadly weapons. He received no personal injuries in the short scuffle, except that his back was wrenched, from which he experiences some pain. The money was in greenbacks and National Bank notes, principally the latter, and the bills were of the following denominations: ten $100 bills, twenty fifties, and the rest mostly $20 bills.—*Charlotte Observer* 22nd inst.

THE SENTINEL.

CITY AND STATE ITEMS.

MONDAY, MAY 23, 1870.

Mr. John R. Elwell, of Rockingham County, is authorized to make contracts and give receipts, &c., &c.

REMOVAL.

The State National Bank of Raleigh has been removed from the old stand of John G. Williams, & Co., to the new banking house, next door North of Tucker Hall.

May 23 d3t.

PERSONAL.—We were glad to welcome our friend, Mr. E. J. Hardin, who paid our sanctum a visit this morning.

Mr. Hardin is at present connected with the House of Henry Welsh, Wholesale Grocer, Nos. 341, 343, 345 and 347, Washington street, New York. We hope our merchants when visiting that city to supply themselves with articles in the grocery line, will remember to call on Mr H.

We are indebted Mr. Hardin for copies of Northern papers with which we do not exchange.

The residence of Mr. Hannon, says the Charlotte *Observer*, was struck by lightning Friday night last. The fire place was torn up, and the clock upon the mantel was shattered to pieces. None of the family were in the house at the time.

We acknowledge our indebtedness to Mr. Coleman, contractor for the rock work on the Penitentiary, for copies of several Boston papers of late date.

The 95th anniversary of the Mecklenburg Declaration of Independence, was celebrated in Charlotte on Friday last, with appropriate honors.

The *Observer* gives a long and interesting description of the ceremonies.

TO PRINTERS.—The *Standard* wants three manuscript compositors. There's a chance for those who can read all sorts of manuscript, written under all sorts of circumstances, and in every stage of convalescence.

The fact is, our Raleigh compositors have never been sufficiently drilled, heretofore, in setting up "zig zag" manuscript, to meet the exigencies of the present times.

DOUBLANCE.—Somebody has laid on our table a placard announcing a "Republican meeting for Oak Grove Township, at Oak Grove, on Saturday, June 4th 1870." What does this mean? They had a Republican meeting at Oak Grove, some two or three weeks ago, and nominated candidates for the Township, and besides that, they recommended T. F. Lee for Sheriff, a movement which so disgruntled the Governor's private secretary that he hitched up his horse and left. They had speeches, too, by Post-master Rogers and Tim Lee, who are announced to speak again on the 4th. We shouldn't be surprised to hear some body interested, cry out, in school parlance, "wat your doubiance?"

POKING FUN.—The *Standard*, as usual, misrepresents the facts concerning the Conservative meeting at the Court House, on Saturday night. The meeting was respectable as to numbers and the character of those present. There was no grand effort made to get up a big meeting on the occasion; there was not much business to be done—simply appointing delegates from the Township to the County Convention. All this was done quietly, orderly and in good time, and the participants retired to their homes, like good citizens ought to.

Don't the *Standard* remember the first efforts the Reds made here this Spring to get up a meeting of a similar kind—how, after three several ringings of the bell and other strenuous efforts, they made a dead breakdown, and had to give it up?—Whether he remembers it or not, it is true.

THE MILBURNIE FREE BARBECUE.—There are a great many colored voters on the large plantations along the Neuse, in the neighborhood of Milburnie, and the Reds have felt the necessity of getting them in good trim for voting time; so they appointed a big meeting at Milburnie, two or three weeks ago, carried out some whisky and some speakers, but didn't seem to get things in satisfactory shape, so they concluded to try again.

Well they tried. They swated that there was to be a free barbecue, and they carried out more speakers and more whisky, (besides what was in the speakers, we mean,) and they carried the brass band in a wagon, and they carried the editor of the *Standard* and his reporter, and expectation ran high for a jolly old time; and they had it. This was on Saturday last.

We followed the example of our Chief Executive, (thus exemplifying the demoralizing effects of bad examples,) and sent out a "detective" to see what would come of it. And here's the result. There were exactly five white and thirteen colored men belonging to this township, neither more nor less, at the meeting, and three of the white men were Conservatives. There were 67 colored men belonging on one plantation, near by, and although, there was a holiday on the farm, there was but one of them at the big meeting!

Some dissentions arose at the meeting, between some of the colored friends, and three fights came off to vary the monotony of the delightful occasion.

On preparing to leave, the band were requested to pay their wagon fare, which not being able or willing to do, they were given to understand that, unless they paid, they could take foot passage home, which they accordingly did, walking to within a mile or two of town, when a portion of them were taken up for the sake of making "one grand entre" into town, while the others footed it all the way through.

And so ended the grand day at Milburnie; and we expect to see in the *Standard*, to morrow morning, a glowing report of the "glorious occasion," but with the this attendance, the fights and the treatment of the band left out.

KILLED ON THE RAILROAD.—On Sunday morning, about 7 o'clock, as the freight train from Weldon, on the R. & G. Railroad, was passing Kittrell's Depot, the engineer, Mr. W. L. Nowell, discovered the body of a man lying by the track near the switch, dead and fearfully mangled. He called up the citizens of the village, and on inspection, the body was found to be that of David Hayes, a resident of the neighborhood. It is thought Hayes was run over by the mail train going North, which passed there at 3 o'clock, in the morning, as he was seen at a drinking shop at the depot, late the night before, much intoxicated.—A correspondent writing us in regard to the matter, says:

"A few hours previous to his death, Hayes inflicted on Arthur Bass, colored, serious, if not fatal stabs with a knife; cards and liquor being the cause of a fight between them.

"It will be remembered that Bass, while driving a fine pair of horses, last year, belonging to Col. Hayes, of Raleigh, entrusted them to a small boy who let them run away and kill a son of David Hayes, ten years old.

"But a few years back, Thomas Murray was found dead exactly at the same place on the Railroad; Murray and Hayes having had a difficulty that night, and Hayes being a man of bad character, was immediately arrested on suspicion of having killed Murray and put him on the track. But, on trial, for want of evidence, Hayes got clear. Murray's head was cut off by the train. Hayes' head was cut off in like manner.

"So ended Murray and Hayes. Bass yet lives, but in a critical condition."

A gentleman who came in on the freight train informs us that suspicion was strong that Hayes had first been murdered and then placed on the track, but there was no tangible evidence of the fact.

PINK TOBACCO.—We have to thank our friend, Pink C. Hardie, for a liberal supply of that splendid Michigan fine cut Chewing Tobacco, which he sent us a day or two ago. To chewers we confidently recommend the Michigan, as a most superior article. The secret of quick sales usually found in a first class tobacconist establishment, we advise to call on Pink, for he can without doubt give satisfaction, both as to quality and price.

ATTENTION HOOK AND LADDER CO.—Special meeting of this company to-night at the Court House at 8 o'clock. Members are notified to appear in uniform.

Per order of
F. LAMSON, Foreman.
T. L. LOVE, Secretary.

For the Sentinel.

A meeting of the voters and tax payers of Oregonville Township was held at Ruffin, Rockingham county on the 18th day of May, 1870.

On motion, E. R. Harris, Esq., was called to the chair and T. M. Johnston, requested to act as Secretary.

Robt. A. Montgomery, by request of the Chairman, explained the object of the meeting, which he did at some length, in an earnest, able and eloquent manner, also showing the corruption and frauds of our last Legislature, and the inefficiency of our County Commissioners.

On motion, a Committee consisting of S. B. Cobb, Dr. W. J. Courts, R. A. Montgomery, W. P. Watt and Maj. W. D. Bethell, was appointed to draft resolutions for the consideration of the meeting; when, after a short silence, the Committee, through Dr W. J. Courts, reported the following preamble and resolutions, which were unanimously adopted:

Whereas, The time for holding an election for county officers and Congressman, is approaching, we congratulate our fellow citizens on the opportunity thus offered of hurling from place and power those unworthy public servants who have disgraced themselves by selling Cadetships, and selling their votes for Railroad bonds and practising Penitentiary and other swindles, and thus prostituting their office to selfish and base purposes; Therefore,

Resolved, 1st. That we pledge our hearty and earnest support to the nominees of the Conservative Convention to be held at Wentworth next Saturday.

Resolved, 2nd. That we cordially endorse the Legislative Address.

Resolved, 3rd. That we approve the course of Jo. Turner, Jr., editor of the SENTINEL, and tender him our warmest thanks for his manly defence of his party, and the bold and patriotic manner in which he has exposed the frauds and villainies of certain members of the late Legislature.

Resolved, 4th. That this Convention appoint five delegates to the county convention to be held at Wentworth on Saturday the 21st inst.

On motion the Chairman appointed the following delegates to the County Convention to be held in Wentworth, on the 21st of the present month: W. P. Watt, Maj. W. D. Bethell, Dr. W. J. Courts, S. B. Cobb, Dr. G. P. Billy and R. A. Montgomery.

On motion of Dr. W. J. Courts, the Chairman and Secretary were added in the list. The following were appointed as sub. delegates: R. A. Holderby, J. H. Nunnally, J. W. Fitzgerald, T. L. Rawley and John W. Harris.

On motion the Chairman appointed the following as executive committee for this township p. Maj. W. D. Bethell, W. P. Watt, S. B. Cobb, R. A. Holderby and Robert A. Montgomery.

On motion of Maj. W. D. Bethell, the present Chairman be the Chairman of this Committee, which was adopted.

It was ordered that the above proceedings be sent to the Raleigh SENTINEL with a request to publish.

There being no further business the meeting adjourned.

WASHINGTON.

WASHINGTON, May 21.—Revenue to-day $720,000

Hereaf er the House meets at 11 A. M and adjourns at 5 P. M.

Gen. Jordan was at the Capitol to-day.

Coin in the Treasury $108 000,000, including $61 000 gold certificates and nearly $10,000 000 of currency.

Kate V. Jennings, a quadroon has been appointed to a clerkship in the Fourth Auditor's office.

An official report states that, near the Western end of the Kansas R. R. five hundred Indians attacked a party of whites, killing eight men and capturing 300 head of cattle. They then moved towards the Platte River.

The House after disposing of the routine business, took up the Louisiana contested case of Newsham vs. Ryan. One of the points to the case turning on the alleged disloyalty of Mr. Ryan, Banks, who as commander of the Red River expedition, had occupied Jos. (Ryan's) house and grounds at Alexandria, bore testimony to the reputation of Ryan as being opposed to secession and in favor of the United States government. The debate concluded, the House proceeded to vote on the resolutions.—The resolution offered by Kerr, as the report of the minority, that Ryan was entitled to the seat, was rejected without division. The first resolution reported by Hunter on behalf of the majority, declaring Ryan not entitled to the seat, was adopted.

The vote on the resolution of the majority declaring Newsham entitled to the seat, was taken by yeas and nays, and at the close of the roll there was a majority of six or seven against the resolution, but several Republican members then voted, changing the result to yeas 78 nays 72. All the Democrats voted in the negative.

Among the Republicans voting in the negative were the following: Messrs. Ambler, Asper, Beaman, Beaty, Bingham, Bout Buffington, Burchard, Cook, Davis, Dawes, Farnsworth, Hall, Ketcham, Orth, Peters, Strong, Washburn, of Mass. and Willard.

Mr. Eldridge moved to reconsider the vote, for the purpose of offering a resolution declaring the seat vacant.

Mr. Cox said he would prefer a vacancy to a sitting member.

Mr. Morgan moved that the House adjourn. Negatived.

As there were signs of filibustering, Mr. Butler of Massachusetts, rose and proposed that there should not be any further obstruction of the public business, but by agreement, the vote should be taken at 2 o'clock on Monday, when the House would be full, and that the House go on now and finish the Consular and Diplomatic bills.

Mr. Kerr, objected.

A motion to suspend was put and carried amid much excitement, and the House at 5:40 adjourned.

There are thirty suits against ex revenue collectors amounting to $3,000,000.

Major J. H. Burnham has been ordered to the Department of the South as Judge Advocate.

PENNSYLVANIA.

PHILADELPHIA, May 21.—The Assembly considered the question of boat charges, to-day. The report recommends the enlargement of locks, reservoirs and supplies.

VIRGINIA.

RICHMOND, May 21.—The Republicans nominated their city ticket this morning. Gen. Chapman was nominated for Mayor, and D. M. Chandler for Commonwealth's Attorney. The rest of the ticket is composed of other well known Radicals of minority.

The election on Thursday is likely to be an exciting one.

FOREIGN.

LONDON, May 21.—The *Times* ridicules the Portuguese revolution, contemptuously that nation as proper to be known as Bourgbonian General as a grotesque spectacle.

The *Times* urges intervention in the affairs of Greece by the great Powers of Europe.

PARIS, May 21.—This morning the Emperor met the Legislative bodies in solemn assembly, *salle d'etat*, and received from a deputation of the corps legislatif the result of the vote on the *plebiscitum*. He in reply, with the Empress and the Prince Imperial, were greeted by the Legislative and Senators with demonstrations of festivity. Schneider addressed the Emperor on behalf of the legislative bodies. Who following is the Emperor's speech in reply:

Sirs—In receiving from your hands the result of this vote, my first impulse is to express my gratitude to the nation which thus renews to me for the fourth time within twenty years the signal evidence of its confidence. Universal suffrage, elements of which change incessantly, but nevertheless accomplishes its purposes always. It has for its guides, its traditions, certainly of the instincts, and fidelity of its sympathies. The *plebiscitum* had for its aim to put the ratification by the people of constitutional Law, but amidst conflicts of passions and in the struggle with its opponents its purposes became grea ter. Let us not regret that the adversaries of the institutions have made it a question of the Empire against Revolution. But the nation has settled the question in favor of that system which gr antees order and liberty. Today the Empire is strong, but it will show its strength by its moderation. My government will execute the laws without partiality or weakness. It will not deviate from the line marked for it respecting all the rights of its subjects. It will protect all acts. It will protect them and all their interests, without thought of disarming Voices of hostile manifestations, but it will also cause the national will to be respected, and will hold it above all controversy, free from constitutional question, which can have kept them apart. Its best spirits will now have but one purpose, viz: to rally around the constitution which the country has sanctioned. Hon st persons of all parties will now unite in efforts to calm the asperities of partizan passion, to preserve the social interests from the contagion of false doctrines, and to enlighten by all lawful means the great cause and prosperity of France. We shall labor to diffuse instruction, to simplify administrative measures, to introduce into the Code ameliorations in favor of the agricultural interests, and to develop the public works. We shall give to the reduction and the best distribution of taxation. Such is our programme, which, if realized, will insure the progress of civilization.

I thank you gentlemen, for the zeal which you have given me on this occasion. The votes which ratify those of 1848, 1851 and 1852, reaffirm your powers, and give you, like me, new force to work for the nation. Now more than ever may we be fearless of the future, for who will oppose the progressive march of a power when a great people have founded amid political troubles, and which is thus fortified in an era of peace and liberty."

The city will be illuminated this evening in honor of the favorable result of the *plebiscite* vote.

MADRID, May 21.—It is unofficially reported that Espartero will accept the crown. The excitement over the unsettled state of affairs is unabated.

Monday Evening Dispatches.

A NEW DISCOVERY!!

PHALON'S
"VITALIA;"
OR,
Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair its natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

PURELY MUTUAL. DIVIDENDS PAYABLE AT THE END OF THE FIRST YEAR AND ANNUALLY THEREAFTER.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" after THEY CEASE TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, Interest at six per cent.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN

THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1869.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Testimonials without number from citizens of this, as well as those of other States might be published, but the above is sufficient. Any person having the Right can make 8 to 10 bbls. of the Fluid in an hour.

CAPITAL STOCK, (PAID UP,) $150,000.00!

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coast-wise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

UNPREGEDENTED SUCCESS

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and "Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITSOWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs Tompkins' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.
